Message from the Counsellor
Dear Students,

Today's world is full of opportunities — but only if you know where to look and how to prepare. At Dotway, our goal is to help you discover the right career path based on your strengths, interests, and personality. Every student is unique, and your journey deserves personalized guidance, not pressure or guesswork.

Through structured counselling and psychometric assessments, we're here to guide you toward a future that excites you and aligns with who you truly are. Let's take the first step together, and build the roadmap to your success. Warm wishes,

Mrs. Ramandeep Kapoor

WHAT IS CAREER COUNSELLING

5d Psychometric Test for Career Guidance – Explained Simply

The 5d Psychometric Test is an advanced career assessment tool that helps students and professionals choose the right career by analysing five key dimensions (5d) of their personality, skills, and interests. It goes beyond basic career counselling by providing a scientific and structured approach to career decision-making.

WHAT ARE THE 5 DIMENSIONS (5D)?

01

Aptitude & Skills

- Measures logical reasoning, problem-solving ability, and subject-specific skills.
- Helps identify careers where a student's natural talents will shine.

02

Personality Traits

- Evaluates whether a person is an introvert or extrovert, a leader or team player, creative or analytical.
- Matches career choices based on personal work style and behaviour.

03

Interests & Passion

- Identifies what excites and motivates the individual.
- Suggests career paths that align with personal hobbies and long-term interests.

04

Emotional Intelligence (EQ)

- Assesses how well a person handles stress, teamwork, and communication.
- Important for careers that require leadership, decision-making, or social interaction.

05

Workplace Preferences & Values

- Determines if someone prefers a corporate job, a creative field, business, or remote work.
- Aligns career choices with desired work environment, job stability, and ethical values.

WHY TAKE THE 5D PSYCHOMETRIC TEST?

- ✓ Removes Career Confusion – Provides a clear education and career choices.
- ✓ Saves Time & Effort – Avoids trial-and-error by giving career suggestions based on strengths.
- ✓ Boosts Confidence – Helps students choose careers where they are most likely to succeed.
- ✓ Helps Parents & Students Make Informed Decisions – Provides a professional roadmap for career planning.
